Item 1 Minutes of the last meeting

These were accepted as a true record and signed by the chairman.

East Riding Local Plan update – Richard Shillaker updated us on the Local Plan. The recent document (Central Government Inspector's report on the ER local Plan) contained nothing new that will affect Brantingham. The ERYC are working on a document to identify potential sites for wind turbines.

New Neighbourhood Planning Guidance – Linda will forward the email received from Jon Palmer at ERYC to all members. We need to have a better understanding as to what is involved and what the benefits would be to Brantingham. If the PC thinks, this is something we need to look into further we will ask an ERYC representative to attend one of our meetings. This will be discussed at our next meeting.

Burrills Lane and Verges – Tina and Richard Powell had a meeting with John Hannah of Highways to discuss the state of Burrill Lane and Brantingham Road, he did agree it was a mess and agreed for Highways to repair the grass verge in the spring, and to fill the flooded area with some chippings.

We also note that a fence is being erected on Burrill Lane and we need to clarify the boundary.

There is a soil strip between the wall and highway with new bollards to protect it. There has never been vegetation along the wall, and the strip of land allowed pedestrians to stand out of the way of traffic. If the bollards remain we will contact John again.

It was agreed the we should have new signs identifying Burrill Lane. We would also like one of these new signs to be at the Pond junction.

Litter Pick 5/6 March – A litter pick will take place on Saturday 5th and Sunday 6th March. Tina will lead the Saturday group, concentrating on the centre of the village and Dale Road. Richard Shillaker will lead the Sunday group and concentrate going from Elleker Lodge to Woodale. Linda will contact Elleker Parish Council informing them of our plans.

Brantingham Beck Work – Richard Shillaker will contact Alan Mullinger of East Yorkshire Rivers Trust for advice regarding flailing along the beck before it is sprayed. If this is to be done it will need doing in March before birds start to nest.

Brantingham Dale SSSI – Richard Shillaker has been in touch with Natural England who have passed Linda's contact details to the land owners within/next to the SSSI in the Dale, so they have a contact if they have any concerns. Richard mentioned the police incident reporting form if anything suspicious is seen near the SSSI eg motor bikes off roading.

John Redhead Bench (to be cleaned in the spring).

Disposal of Confidential Waste – The Parish Council are only obliged to keep correspondence, financial accounts, planning applications etc. for six years. Linda has over 15 years of documents stored at home and would like to dispose of anything that is not need to be kept. This will be disposed of by an authorised shredding company at a cost of approx. £3.50 per sack.

Allotment Plots – We have had a request for contact details for allotment plots. They need to contact David Atkinson of Dee Atkinson and Harrison.

Item 3 Finance

Precept 2016/2017 – ERYC confirmed that the precept of £7,400.00 will be paid in two instalments of £3,700 on 30th April and 30th September.

ERYC Waste Transfer Note Renewal – April 1st 2016 to 31st March 2017. To be completed and returned.

Item 4 Planning applications and policy considerations

Mr Paul Hogarth Keepers Lodge Dale Road – Change of use from redundant farm building to dwelling (amended external materials to use wooden cladding instead of brick)
Ref16/00319/VAR. Reply by 3rd March. After looking at the plans the PC have no

observations to make and are happy for planning permission to be granted.

Item 5 Planning Permission

No items to report

Item 6 Correspondence

No Items

Item 7 Account for payment

No items for payment

Item 8 any other business

Flyer – We still need to produce a flyer advertising the web site, to include a reminder for residents to use the bottle bank/recycling bins at the Triton, and to point out the current lack of representation on the PC from the Cave Road - Brough Haven area of the Parish.
