**Speeding Issues** – Following comments made to the PC by Mrs Edwards regarding her concerns about the safety of her daughter walking the bus stop, Glenda contacted Katie Stork at ERYC. She visited the village to assess the traffic and concluded that Brantingham is a very quiet village with a low volume of traffic and would not qualify for police enforcement. Having driven around the village several times to get a feel for the environment she said, great speed is difficult to achieve due to the nature of the roads with bends and junctions. She suggested we could hire the flashing speeding signs at a cost of £450.00. Richard P will pass a copy of the email from Katie onto Mrs Edwards.

**Notice Board** for Cave Road – At our last meeting residents from Golf Links Drive attended the meeting to raise concerns about a planning application. They did comment that they did not know when meetings were due to be held. We did make them aware that this information is available on the website, but though a notice board along Cave Road would be useful. Richard Powell will contact highways to ask their advice on a suitable position before we take this any further.
