Telephone Box – Information board, redecoration & refitting. Richard Shillaker has been in contact with Infinity Printers in Hull, regarding the information board. They gave him a sample of the board they would use and the cost for the printing onto the board would be £123.00 plus VAT. They will send a mock-up of the display before it is printed, for our approval. We will also ask Infinity to prepare a sign to say “Information” to replace the existing “Telephone” sign.

Notice Board/War Memorial – The order has been placed with Calvert’s. These should be installed by the end of March.

Clarks Salary – Clive Dixon has suggested the hourly rate of pay should be increased from £6.98 to £9.00 per hour and would like it to be back dated from April 2014. The cost to the Parish Council would be an extra £262.60 per year. Approved.

Item 7 Account for payment

No accounts for payment.

Item 8 any other business

Community Orchard Appeal. The Conservation Volunteers are looking for Parish Councils and community groups who would like to establish community orchards. Funding is available to help with the costs. Glenn asked if this is something we could get involved with. Members felt this would be a nice thing to do but are not aware of any suitable available land that could be used.

Damaged Verges and Village Green. The Parish Council is very concerned about the damage to the verges along Burrills Lane. Some of the damage may have been caused by recent work carried out by the Gas Board and also the lorries delivering to Burrills Farm. Tina has been in contact with Steve Watson at the ERYC who suggested we contact the Street Scene Team.

Flyer reminder re bottle bank. Glenda will put together a flyer that can be distribute to residents, reminding them to use the bottle bank at the Triton as the proceeds help with environment projects around the village.

Vacancy for New Member/Treasurer. As Clive is stepping down from the Parish Council in May we need to think about his replacement as a member and also as Treasurer. Richard Powell has mentioned this to his neighbour and will approach him again, to ask if he would be interested in the position.

Monks Well. The Parish Council have been asked if they are responsible for the upkeep of the well, as Jewson’s building suppliers are offering grants for small projects. The upkeep does not lie with the Parish Council but are willing to look into finding out who owns the land.

Ellerker Wind Farm. Councillor Pat Smith will send us a standard letter for us to use, objecting to the project.

Ditching. Tina has left a message for Keith Sanderson asking him to do the ditching around the village.

Emergency Plan: to be distributed to all Parish Councillors
